

AMAZON LILY ADVENTURES PRESENTS

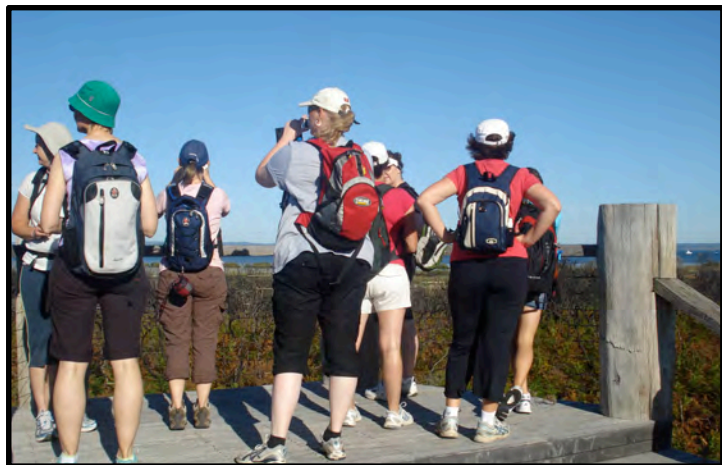

FOOTSTEPS ON FRENCH ISLAND!

THE GIRLS OF AL ADVENTURES RECENTLY HEADED DOWN TO FRENCH ISLAND FOR A DAY HIKE. UNBEKNOWNST TO THEM THEY WERE TO BE INUNDATED BY KNOX FOOTY CLUB!

THE AL GIRLS ALL MET EARLY SATURDAY MORNING DOWN AT STONY POINT TO CATCH THE FERRY ACROSS TO FRENCH ISLAND. TEMPERATURE WAS ALREADY HIGH 20'S AND THE WIND WAS MAKING ITSELF KNOWN. WE PICKED UP OUR TICKETS AND HEADED DOWN THE PIER TO JOIN THE ENORMOUS GROUP OF KNOX FOOTBALLERS THAT WERE ALREADY WAITING. THE ELEVEN OF US WATCHED AS AN IMITATION STOXY YELLED AT HIS CHARGES. "I WANT TO SEE A SENSE OF URGENCY GENTLEMAN!!" "PUNISHMENT WILL BE GIVEN TO THOSE NOT WORKING HARD ENOUGH" WE GIRLS DECIDED THAT FOOTBALL WAS NOT FOR US, ESPECIALLY IF IT INVOLVED PUSHUPS ON A 34 DEGREE DAY. WATCHING WAS FUN THOUGH! AT 8AM, THE FERRY ARRIVED AND SAILED US ACROSS TO THE FRENCH ISLAND DOCK.

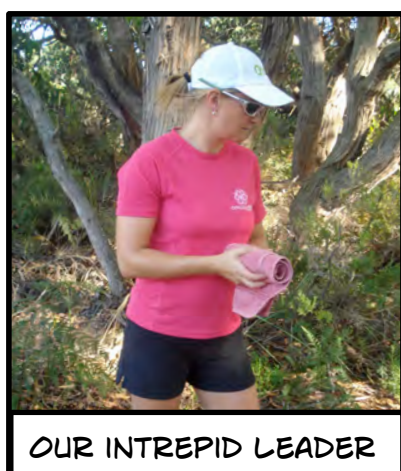

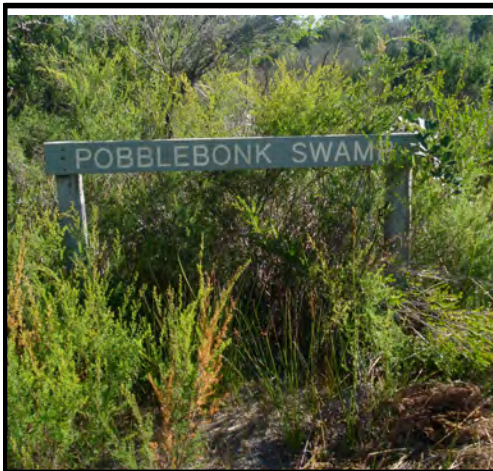

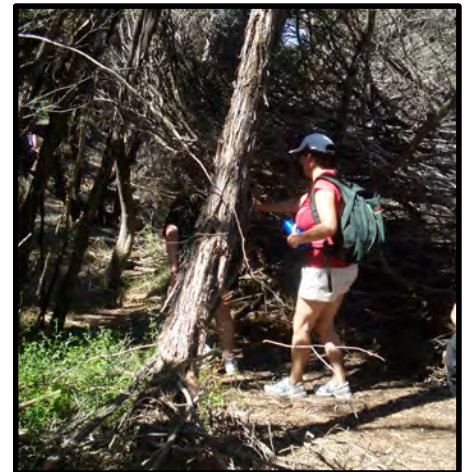

THESE GIRLS
BETTER KNOW
WHERE THEY'RE
GOING!

EMMA GAVE A BRIEF HISTORY ON THE ISLAND BEFORE WE MADE OUR WAY ALONG THE BEAUTIFUL COASTAL PATH. WE WALKED THROUGH SALT BUSH, STOPPED AT VIEWING PLATFORMS, AND ENJOYED A LOVELY (IF VERY WARM AND WINDY) MORNING.

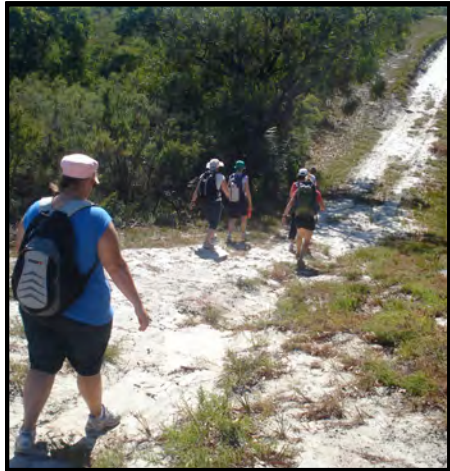

HEARD THEM
COMING A
MILE AWAY

OUR INTREPID LEADER

WE TURNED OFF THE COASTAL TRACK AND HEADED INLAND TO THE PINNACLES. TEMPERATURES SOARED AS WE MADE OUR WAY THROUGH FARMLAND, SCRUB AND SWAMP. WILDLIFE HID FROM THE HEAT, BUT WE DID MANAGE TO SPY A BIG KOALA HIDING AMONGST THE SCRUB.

WE FOUND SOME SHADE AND DECIDED MORNING TEA WAS IN ORDER ESPECIALLY SINCE EM HAD MADE US DELICIOUS MINI QUICHE MUFFINS. EVERYONE TOPPED UP ON THEIR WATER, ATE SOME SNAKES (LOLLY NOT REAL) THEN PUT THEIR PACKS BACK ON BEFORE CONTINUING TO THE PINNACLES.

FINALLY WE MADE IT TO THE PINNACLES THE VIEWS WERE WONDERFUL. ALL AROUND WE COULD SEE WATER AND BOATS, AS WELL AS PICTURESQUE FRENCH ISLAND. AFTER A BRIEF PHOTO STOP, WE LOOPED AROUND THROUGH MORE FARM LAND BEFORE MAKING OUR WAY BACK TO THE COAST AND ON TO THE BEACH.

WATCH WHERE YOU PUT THOSE BIG FEET!

WAR WOUND

SHOES TAKEN OFF, HANDS AND FEET STUCK IN THE WATER, BEFORE MAKING OUR WAY BACK TO THE FERRY. CRABS AND BIRDLIFE WATCHED US WANDER THROUGH THE SHALLOW WATER, SOME OF US GETTING STUCK IN THE MUD, AND OTHERS SUFFERING FROM A NASTY BLISTER. FINALLY WE MADE IT TO THE DOCK, BEFORE CATCHING THE FERRY BACK TO STONY POINT FOR OUR WELL DESERVED ICE CREAM. WELL DONE LADIES!!

SOMEBODY GOT A BIT STUCK!

FRENCH ISLAND PIER, AWAITING THE FERRY

See you on the next...
